

HULL & EAST YORKSHIRE'S

SPORTING HEROES AND CHAMPIONS

AWARDS 2009

What do you play for?

Fun? The team? The coach? To win?

First Hull Trains and KCFM have joined forces to launch Hull and East Yorkshire's Sporting Heroes and Champions Awards. We'll be honouring the men, women and children across the region that show commitment, passion and dedication to their sport day in day out, whether as a competitor, coach, club secretary or even kit washer!

We'll soon be starting our search for local sporting heroes and need your help. Visit the website to find out how to nominate and to read more about the awards.

Get involved today and help us to celebrate Hull and East Yorkshire's sporting achievements. It's your time to shine - whatever you play for.
