

HULL & EAST YORKSHIRE'S

**SPORTING  
HEROES AND  
CHAMPIONS**

AWARDS 2009

# What do you play for?

**Fun? The team?  
The coach? To win?**

At First Hull Trains and KCFM we believe sport makes a positive impact on the communities in which we live and think your sporting achievements and efforts should be celebrated.

That's why we've launched the Hull and East Yorkshire's Sporting Heroes and Champions Awards 2009. We'll be honouring the men, women and children across the region that show commitment, passion and dedication to their sport day in day out, whether as a competitor, coach, club secretary, or even kit washer!

As part of the awards we'll also be recognising the region's sporting champions - the professional sports men and women who entertain us each week, give us something to aspire to and bring positive attention to the region.

Get involved today and help us to celebrate Hull and East Yorkshire's sporting achievements. It's your time to shine - whatever you play for.
